The Last Quarter

It is hard to believe that 7 quarters have already gone by, and that the eighth is currently underway. These are our classes for this quarter:

1. Leadership

Bob Turner is teaching this class. The students learn how to be a leader even when you are not necessarily in a leadership position, and how to help others become leaders.

2. 1 & 2 Timothy/Titus

Denny Petrillo is teaching this class. This is an in-depth, exegetical study of these books, with consideration to Paul's overall themes and goals of the writings. These include qualifications and requirements for elders/deacons in the church, among other things.

3. Church Growth

Neal Pollard, the pulpit minister for the Bear Valley congregation, is teaching this class. The students learn how to help a congregation to grow through many different avenues, while still abiding in scripture.

4. Godhead

Dan Owen is teaching this class. This is a study of the name of and different descriptions of God, as well as the entities described in scripture, and how they affect our theology.

Quarter 7 Grades

Homiletics 2	A
James/1 & 2 Peter	B
Old Testament 6	A
Preacher and His Work	A
Hebrews	A

5. Revelation

Dave Chamberlin is teaching this class. This is an exegetical study of the book of Revelation and how it related to those to whom it was written.

Graduation will be on June 28, 2009. Thank you for your support and prayers through this last 2 years, you have all been a great encouragement to me. I have accepted an associate minister position in the West Visalia church of Christ in Visalia, CA. July will be the last month I will be requiring support for school. Thank you again for your love and support.
